Wynn Dewsnap reported that June 30 will be the last day to drop off any metal for the metal processing fundraiser. He also said that June 27-28 will be Almo Wild West Days. This will be an annual event and will always be the last weekend in June. They have two or three bands scheduled, vendors, and various activities for families. Next year they are going to have an invitational ranch rodeo where they do doctoring, branding, sorting, etc.

Janis Durfee said that Mr. Kuneau donated another \$5000 for the year for the bookmobile. Becky Webb was helping to raise money in the Raft River area but has asked someone else to help go to big dairies and Skaggs. They are trying to get businesses to donate every year so they don't have to always solicit money.

It was decided that the CPCA meetings will be held at 7:30 instead of 7:00.

The meal for the 4th of July was planned. It was decided that there would be hamburgers and hot dogs plus something a little nicer. It was suggested that the REA may let us use their grills. The price was to be kept fairly inexpensive. It was decided that it would be \$5/plate.

Wynn moved the meeting adjourn and Sadie seconded. The meeting ended at 8:17 p.m.
