**Treasurer's Report.** Sadie Udy gave the treasurer's report. CPCA moneys are:

Account	Amount	Comments
501C3	3750.00	
501C4	957.65	
Playground Fund	2935.24	
<b>Total</b>	<b>7642.89</b>	

The amounts are the same as last month.

**Minutes from Last Meeting.** The July minutes were read and approved.

**Oregon Trail News.** The Oregon California Trail association visited Old California Trail sites in the area. Bob Ward gave permission to the group that gave them access to trail sites on his land. Goose Creek and Granite Pass areas were included in the tour.

**Playground.** The playground effort was discussed. We hope to get Brenda Davis to give us an update. We may need a representative to talk with the Recreation committee. The slide is still the major focus for the upgrade effort.

**Road Project.** Stan Lloyd reported that the last mile bid is out and includes seal coating the previous reconstruction sections. There is road available for detour once construction begins, but it needs some grading. Stan Lloyd will discuss general Elba area road access issues with the County Commissioners and report back in September if he can attend the meeting.

**Adjournment.** Sadie Udy motioned for adjournment and Hannah North seconded the motion.
