

CACHE PEAK CIVIC ASSOCIATION MINUTES
Sept. 3, 2009 – 7:00 p.m.
Almo, Idaho
Cache Peak Emergency Services Building

The attendance sheet is attached.

DJ Stanger called the meeting to order.

Minutes from Last Meeting. The August minutes were read and approved.

Playground Equipment. Brenda and Denise are going to visit a company in Logan, Utah that builds steel playground equipment. The other company of interest is called Cedar Works. They build with something called Northern White Cedar and claim it does not splinter and does not require a protective finish.

The money from the steel scrap that was earmarked for the playground equipment may be available. DJ will check on this.

The park is owned by the Almo Recreation District, so we will need to coordinate the installation with Larry Edwards. Liability must be considered. The installation should be done under the name of the CPCA with approval from Larry and the Recreation Committee.

City of Rocks National Reserve General Management Plan. The General Management Plan is being developed. There will be a workshop in Almo Sept. 21, 7:00pm in the park's maintenance shop conference room. Tom Harper will send out the complete workshop schedule by email.

Road Construction. Parsons is attempting to complete by mid October. Western Construction is beginning work on the last mile Sept. 8 and plans to be complete by November. This includes chip sealing all of the segments.

Treasurer's Report. Sadie Udy gave the treasurer's report. CPCA moneys are:

Account	Amount	Comments
501C3		
501C4
