Mr. Wallace Keck, Manager
Castle Rock Ranch State Park
City of Rocks National Reserve
Almo, Idaho 83312

Dear Mr. Keck,

At the last meeting of the Cache Peak Civic Association, some members expressed concern that the plans for the Castle Rock Ranch State Park appear to be very different from those discussed at the planning meetings. The Association members worry that these changes may result in a government agency competing with private enterprise.

We invite you to attend our next Cache Peak Civic Association meeting to discuss and clarify plans for the Castle Rock Ranch State Park. We are interested in seeing the architect's drawing for the bunkhouse and other guest accommodations. We are also concerned about the plans for rebuilding the corrals and ranch outbuildings.

The Cache Peak Civic Association meeting will be held on May 3, 2007, at 7 P.M. in the Emergency Services Building in Almo. If this time is inconvenient for you, please let us know when you would be available to meet with us. We will reschedule our meeting to accommodate you.

We would appreciate hearing from you as soon as possible so that any necessary arrangements can be made. Please contact Cordell Sheridan, Dee Ann Spencer or Janis Durfee.

Respectfully,

Janis Durfee
Corresponding Secretary
Cache Peak Civic Association
