Kent Durfee called the meeting to order.

**Treasurer's Report.** Tom Harper reported for Sadie Udie. CPCA moneys are:

<b>Total</b>	<b>3970.18</b>	

**Minutes from Last Meeting.** No minutes were taken for the July meeting.

**Post Office Route Issue.** It was decided that this is not the time to write a letter regarding the postal route inefficiencies as it may be counterproductive due to the controversial nature of the issue.

**2010 4<sup>th</sup> of July Dinner.** The dinner was quite a success, feeding a total of 249 people. The committee planned for 300 people. 174 adult meals and 75 kid meals were served. In addition to selling the meals, the leftovers were sold. Total expenses were \$928.72, sales amounted to \$1372.00, resulting in a profit of \$443.28. Sadie Udy provided a more detailed breakdown which is attached. The planning committee did a great job putting this together.

**Modern Woodsman Bookmobile Money.** Sadie Udy asked if the check came in. Janice Durfee reported that it did. Janice also said that we appear to be paid up for the year and have about 9000.00 available for next year.

**Historical Committee Progress.** Janice reported that the progress has been a bit slow lately. There is still some work to be done to finalize the direction and goals of the work.

**Raft River Water District Fees.** Kent Durfee reported that the ground water fees have doubled. Due to receiving several letters stating different rates, it sounds like something might be amiss.

**Almo Cell Tower.** Tom Harper reported that Chad Black told him the cell tower was on hold due to some stream encroachment issues. There is already a bridge across the stream, but apparently that is not good enough.

Kent Durfee adjourned the meeting.
