

Cache Peak Civic Association Minutes

April 29, 2025 - 7:00pm

Almo, Idaho

Monthly Meeting

Start Time: 6:10 pm Adjournment: 7:03 pm

The minutes from the 2/25/2025 special organizational meeting was read and approved.

NOTE: The audio transcript for this meeting was lost due to a computer problem before these notes were completed. In general, we discussed preparations for July 4.

CPCA Meeting Methods

We need to get the word out about monthly meetings in a more effective way. Tom Harper has volunteered to look into combining an Instagram and facebook notice with one entry. It may not be possible, but easy enough to post on both platforms. We can also get a notification to Dee Ann for her email. We also need to post a sign at the Tracy store.

The next meeting will be Tuesday, May 27 at 6:00 pm. This is the last chance to discuss the plan for July 4 with the community and have enough time to get everything ready, so It's important to get several notices out starting a few weeks before the meeting. Tom will send out several notices and a reminder the Monday before the meeting as well as get some signs at the store.

July 4 Preparation

Tom Harper did an inventory of utensils, plates, etc. the we currently have on hand. Here is the list:
