

Yost Cemetery Flag Pole Dedication

May 26, 2001

The Yost Cemetery Committee was approached last fall by Bill Scott who proposed his idea of a Flag Pole for the cemetery honoring the veterans who are buried there. His idea was approved and it was decided to offer it as an eagle scout project.

Phillip Durfee of Almo, Idaho asked if he could do the flag pole for his eagle scout project. The cemetery committee agreed and Phillip accepted the project. It was required that it be completed by Memorial Day weekend of 2001. Phillip completed the project on time and the flag pole was dedicated at a ceremony performed by the American Legion Almo Post 96 on Saturday, May 26, 2001.

Notification by telephone was sent out to Yost residents and families of people buried in the cemetery of the time and place of the dedication.

Stan Spencer was master of ceremonies and presented the flag pole to the American Legion for their dedication ceremony. Phillip Durfee and all who helped him were thanked for completion of the project. Stan offered a dedicatory prayer.

Verl Smith and Vernon Teeter were recognized and thanked for their contribution of an information kiosk for the cemetery.

There is a website listing the Yost cemetery. It is: lofthouse.com (Box Elder cemeteries)
